to identify and start to develop our behaviour expectations. We should have a small number i.e. 3–5 positively stated rules or expectations that support our school’s mission/purpose. These rules should use common and few words (e.g., Respect Others, Respect Yourself, Respect Property), and should apply to all students and staff members.

**Calendars and Skoolbag**

Last week I got most of our school events and activities uploaded to our website and Skoolbag calendars. A very useful feature of the Skoolbag Events page is that you can add items directly into your phone’s calendar.

Over the next week, take the time to look at the Events page and add them to your calendar – there’s lots of activities to add. I apologise that the school newsletter went out late last week and that the calendar was not complete as I was not at school last Wednesday and Thursday to review it in time.

**Bush dance on 5 April**

The P & C will be hosting a bush dance on 5 April at school under the COLA from 4pm–7pm. There is no cost to participate but you must have a ticket to gain entry. The P & C will have food and drinks for sale. This will be a fun family night out with the chance to meet other families and teachers informally. See the event on Skoolbag.

The Easter raffle will be drawn on the night—see the note that went home last Monday. Bring chairs, a picnic rug, picnic food (but no alcohol) and make the most of the last day of daylight saving and come and dance with your kids.

**Hope you had a great week at our great school!**

**P & C EASTER RAFFLE**

Raffle tickets have been sent home to all families this week for our Huge Easter Raffle. Tickets are $1 each and the raffle will be drawn at the Bush Dance here at school on Saturday 5 April. There will be many prizes made up from the Easter egg donations provided by students on Crazy Sock Day—next Thursday, 3 April. There are spare raffle ticket books available from the school office.

**ENTERTAINMENT BOOKS**

This popular P & C fundraiser will be running at KPS again this year. The Entertainment Books will arrive at school and be distributed to each family in the last week of term. There are many great offers in the book, and you have until June 2015 to take advantage of these. If you purchase your book you may begin to use it during the school holidays. Please return unwanted books (in their envelope) to school as soon as possible. If you have friends or family who would like to purchase a book, please contact the office.
Girls’ Cricket Report

Kincumber girls’ cricket team have had an enjoyable time learning new skills and having the confidence to try something new.

We had many successes and some disappointments, winning our first game against Ettalong and losing our next game against Woy Woy. Bree’s catches, Tahlissa’s, Jade’s and Tahlia’s bowling and Anya’s wicketkeeping, to run many people out, are some of the team’s highlights. The improvement over a few weeks’ practice has been amazing and to see the girls try and enjoy a new team sport has been a pleasure.

I am very proud of the girls and how they represented our school.

Congratulations

Noelene Conacher

3K Harmony
Last Friday was Harmony Day – a day to celebrate the cultural diversity of Australia and a day to promote the message that “everyone belongs”. The students at KPS wore orange to signify their support for Harmony Day.

After viewing a short introductory video on Harmony Day, 3K created their own Mindmaps of what Harmony Day means to them. Following are some of the examples:

**Parenting Tips**

**Removing head lice and nits**

While children are at school many families will have contact with head lice. Head lice and nits (the eggs of head lice) can be found at every school across Australia – and probably the world - at some point during the school year. They are certainly annoying and persistent but fortunately they’re not dangerous. The good news is we know where they live, we know how to find them and we know how to get rid of them from your children’s hair!

The School A to Z website outlines some Nit busters’ myth busters such as “head lice live in long, short, curly, straight, clean or dirty hair” and “you don’t need to use an expensive commercial product”. There is also some very helpful and easy to read instructions on how to remove head lice and nits.

**YMCA VACATION CARE**

YMCA offers a diverse program that caters for primary aged children. These holidays the children can be expected to be slimed by the crazy scientist, explore Norah Head lighthouse and become world class gymnasts at Buritz Gymnastics, just to name a few.

Autumn holidays are fast approaching and sports are filling up fast.

With convenient locations at Wamberal, Niagara Park and Lake Haven, your child will enjoy making new friends. Visit www.oshc.ymcansw.org.au to download your vacation care booking form or pop into your OSHC room to collect a copy.
