Dear Parents/Carers

You are warmly invited to meet your child’s teacher on Thursday morning 13 February 2014 before school and join us for breakfast. Between 7.45am and 8.45am join us in the COLA playground near the canteen where we will be serving pancakes and ham and cheese croissants at a very reasonable cost. Tea and coffee is also available for sale for adults; juice, water or milk will be available for the children to buy. You are also invited to bring a plate of breakfast food to share.

At 8.20am parents and carers can go to classrooms to meet their child’s teacher. Teachers will talk briefly about their classroom routines and expectations and have time for your general questions. Teachers will be happy to make appointments with you to answer specific questions about your own child at a later date. Parents with several classes to visit might spend a short time in each child’s room.

Please leave your school age children in the playground at 8.20am to be supervised by teaching staff. Please take pre-schoolers with you.

A bell will go at 9.20am to conclude the session and children will assemble under the COLA where their teachers can collect them.

A separate meeting will be arranged for class 2N when their teacher is permanently appointed.

Kind regards

Trish Peters
Principal
